

10  
CITIES  
VISION  
GIFT CAMPAIGN

*“This is my commandment, that you love one another  
as I have loved you.  
Greater love has no one than this,  
that someone lay down his life for his friends.”  
– Jesus (John 15:12-13)*

Dear City on a Hill Member,

The 10 Cities Vision is our dream and prayer to see ten cities reached with the good news of Jesus.

10 Cities that will hear of His truth.

10 Cities that will see His life.

10 Cities that will be invited to share in His love.

And so we go...

We go in the name of Jesus into our homes, our workplaces, our schools, and our universities.  
We go into the heart of our cities. And we go in God's strength to plant new churches.

At City on a Hill, we believe that church planting is not only a faithful response to Christ's great commission, but also the most fruitful way to serve the poor, reach the lost and lift up the good news and glory of Jesus.

*“Planting new churches is the most effective evangelistic methodology known under heaven”  
– C. Peter Wagner*

**Today, I would love you to prayerfully consider what you can give toward this vision.**

Once a small team meeting in a city apartment – we are now a movement of churches across multiple cities. Each of these churches contains stories of grace, testimonies of redemption, communities of love and mission.

Thanks to your generosity we were able to plant City on a Hill Melbourne (2007). In addition, it enabled us to plant City on a Hill Geelong (2013), City on a Hill Melbourne West (2014), City on a Hill Brisbane (2016) and City on a Hill Melbourne East (2017).

Significantly, your contribution to the church planting fund in the past twelve months has not only fuelled our church planting efforts, but enabled us to launch the “Church Planting Academy” which has the chief aim of accelerating the formation of a church planter so that the church planter of tomorrow's church will have greater breadth of experience, a deeper well of wisdom, and a broader network of mentors to draw from when they lead on the gospel frontlines.

*“The Planters Academy has been a unique opportunity for me to gain wisdom, thrash out all my questions, and be equipped for church planting. It is incredibly humbling and empowering to be part of a team who are dedicated to helping my family step out in faith to plant for God's glory. Nowhere else do potential planters get this sort of team support, equipping, and encouragement.”  
– Stephen Brown, Planters Academy Resident*

As Christians our thankfulness is not limited to what we see in the past, but also in what lies ahead in our future.

Who knows what is in store for this church family? Who knows what God has in store for you?  
Who knows the lives that will be impacted, the communities that will be planted and the difference that He will bring for all eternity?

**God knows. And He calls each of us to take part in His mission in our day.**

To achieve our next goals, we're setting a bold funding target of raising \$200,000 from our existing church family for our next stage in our 10 Cities Vision.

Our prayer is that over the coming weeks, across all of our locations we'd each make our own contribution with a final figure announced at our vision service on Sunday 28th of October.

We need your prayers. We need your support. We need your generosity.

**To make this happen I am asking for your help.**

Your valuable contribution to the Church Planting Appeal will support:

- The preparation and planting of our next City on a Hill community.
- Current and future residents in our Church Planting Academy.
- The Acts 29 Church Planting Global Network.
- Church Planting in the Anglican Diocese in Melbourne and Geelong.
- International church planting efforts in unreached urban centres.

We look forward to unveiling more on these exciting ministries at our vision service in October.

I covet your prayers. I ask for your support. I seek your generosity.
