

OUTDOOR CHURCH FAQ

WHY OURDOOR CHURCH?

So many benefits of being outdoors together!

We live here because we love the outdoors!

The relaxed vibe.

Shoes are optional.

The seating is always great, because you get to bring it!

Camp chairs have cupholder and we get to use them during church!

Some weeks we have a fire pit.

When it's a wet and 'drive-in' church, I can talk during the service.

I get to sit in the back of my van, car or ute. #vanlife

My kid's get to run and play and adventure outdoors.

My dog can even come to play and adventure outdoors!

WHEN TO ARRIVE?

It's best to aim to come 5-10 minutes early so you can park, set up and settle in.

If you're earlier than that you'll have time to grab a hot brew!

WHAT TO BRING?

Always welcome to bring with you children, friends and even dogs.

Each week:

- seating (camp chair / bean bag / lazy-boy)
- snacks
- brew mug

When it's dry/warm:

- sunscreen (slip/slop/slap)
- water bottle
- insect repellent

Just like when you go to the beach.

When it's wet/cold:

- More clothes (layers)!
- blankets
- brolly
- phone / portable radio (for drive-in Sunday)

Just like when you go to the footy.

WHEN IT'S WET:

When it's wet, we adjust our space to be a DRIVE-IN CHURCH. Tune your car radio into 89.5FM

Our Sunday church gatherings will still happen even in the rain. Time together will only even be cancelled only if the weather poses a safety threat.

In the rare event that a Sunday gathering is cancelled or location changes, subscribers to our EMAIL / INSTAGRAM / FACEBOOK will be updated.

We're a church for all seasons of life and for all seasons of the year!

HOW TO SET-UP YOUR CAR FOR DRIVE-IN CHURCH.

TUNE INTO 89.5FM

Turn off engine and all lights. (Most cars will still allow their radio to be turned on with the car off)

If your car-radio does not work with the car turned off: Turn car to accessory mode (one turn of key) and switch off everything in car (fan, AC, external lights, internal lights, accessory power cords) and run only the radio.

Alternatively if you have an Android phone: you can use the FM tuner to link into the frequency through your phone.

Alternatively you can bring a portable radio for in your car and completely save your car battery - just in case!

CAN THE WHOLE FAMILY COME?

Absolutely yes. We're a family friendly church family and we love that our kids get to also be a part of it. Parents are however required to supervise children at all times.

We do not want any damage to other people, to the building and to the equipment because children have been left unattended.

WHAT ABOUT MY DOG?

You may bring your dog as long as it is on a short (less than 2m) lead at all times and it cannot enter into the chapel building. Doggy doos must be collected; families play on our grassed areas!

If a dog becomes aggressive or fights with another dog whilst on the venue, the owner will be told to immediately remove their dog from the venue.

Dogs classified as “dangerous” or “restricted”, and dogs needing to be muzzled, are not permitted.
